Dear friends,

2009 Nordic Meeting(s)

SVEMO hereby invite you to the Nordic Meeting(s) in Stockholm, Sweden, on the 3rd-4th of October 2009.

We have made some changes in this meeting:

Food Coffée/tea Saturday afternoon, dinner Saturday evening, breakfast and coffee/tea Sunday are included in the price. There are several restaurants at, and near, the hotel, so there will not be at problem to find food.

Help Desk SVEMO will have a Help Desk open for taking care of problems with papers, information, technical matters and so on as a support to the meetings. This Help Desk will not handle travel issues etc.

Status Reports We kindly ask your commissions to fill in and send in the Status Reports for the Disciplines. The reason for this is that we have noticed that this point on the agendas always takes too long time at the meetings. These Status Reports for the Disciplines will be sent out with the Agendas to all participants and they shall also be included in the Minutes of the Discipline Meetings.

Work Shops We have beside the Children's sport opened a new Work Shop for Environmental Matters. In the Discipline Meetings decisions are taken. A Work Shop is a forum for discussions and suggestions.

The ATV/Quad will now form its own working group after decision taken at the last NMC meeting in Norway.

E-mail addresses We kindly ask all participants for their e-mail addresses to make it possible to send documents directly to all delegates.

21.08.2009

The documents which will be sent to all delegates on the **16th of September 2009** will be:

- Agendas for meetings
- List of participants
- Status Reports
- Minutes from previous meetings
- Rules, in English.
- Detailed Time Schedule

A Secretary for each meeting will be appointed by SVEMO and the Chairman/Group leader will be appointed by the group. For the Chairman/Group leader there will be a prepared manual/check list/agenda with points to follow.

Look forward seeing you all in Stockholm!

Kind regards,

SVENSKA MOTORCYKEL- OCH SNÖSKOTERFÖRBUNDET

Per Westling
Secretary General
