10. Miscellaneous

## **1. Minutes from last year:**

Approved.

## **2. Status around the table:**

**Sweden:** Numbers of riders is stable.

**Finland:** Numbers of riders is increase.

**Norway:** Numbers of riders is increase.

**Denmark:** Numbers of riders is stable.

**Iceland:** 3 National race. 38 competitors

## **3. Proposals from the Nordic Countries:**

NMF will handle Nordic records and they will be published in their webpage.

To NMC: Nordic status report: the numbers of Nordic events and riders

## **4. Going through and harmonizing of the Nordic Rules:**

Super Gas Bike(SGB) and Super Comp Bike(SCB): also electric engine is allowed

Deep stating: Commission will do more research next season

Auto start: organizers can use auto start system, but it's have to be mention on supplementary regulations. Auto start parameters have to be same in all countries.

“Bellypan”: all country’s will add this rule

## **5. Junior Drag Bike:**

The flags of Norway, Sweden, Finland, and Iceland are displayed horizontally below the NMC logo.

There was no junior camp in 2016. Commission hope that there will be at least one in 2017.

From promoter: preliminary plan is to organize junior camp in the first race in Tierp in June. Commission is not happy about this because event is really big and we want that organizers focus only to juniors. Lin will be discuss this matter with promoter

One of the commission members has to be presented at the Junior camp.

## **6. Nordic Championship 2017:**

Promoters contract will end 2017. New contract has to be signed before Nordic meeting 2017

Promoter have send evolution EDRS pro report

### **Pre Dates for NMC pro classes:**

2-4 of June in Tierp, Sweden

6-9 of July in Alastaro, Finland

27-30 of July in Gardemoen, Norway

3-6 of August in Tierp, Sweden

## **7. European Championship 2017:**

At the time there is 3 races in the calendar

## **8. World Championship:**

The contract is signed. First race is in 2018 and only one race

## **9. Letter from SSB drivers:**

Lin explain what happened in Gardemoen. What happened in Gardemoen was normal race situation.

## **10. Miscellaneous:**

Young competition: discussed what age you can start racing in each country

License in different classes: discussed what license standard each country have

Discussed to harmonize and/or mix top fuel bike and super twin bike classes and technical rules
