

Hello everyone!

Sorry for the delay and we have been working hard to find a solution to the problems that the Finnish traffic insurance law is throwing at us.

**This is a temporary solution for this event. We will continue to work for a permanent one.** But there is a light in the end of the tunnel.

We will collect all the needed information and take care of the insurance for all the bikes in the Trial Nordic Championship. The invoice for the insurance fee per rider, per country, will be sent to the riders own federation and the federations will invoice the riders if they choose to do so. The insurance fee is 32 euros per bike for 2 days.

Please fill in the details of your team to this form (link below) regarding every bike that needs a traffic insurance. We will take it from there.

Thank you for your patience!

Sincerely

Ville Salonen
